

Year 8	Working Towards Expected Progress	Meeting Expected Progress	Exceeding Expected Progress	Exceeding Expected Progress
<b>Stomp</b>	You are able to perform simple rhythms from notation and develop their own simple ideas.	You can develop rhythmic ideas and perform in time with groups	You can maintain a more complex part within a polyrhythm	You can accurately notate rhythms including interesting syncopations and/or triplets.
<b>Reggae</b>	You can perform a simple, repetitive melodic part with one note at a time.	You can confidently play the chords A, D, E an appropriate strum pattern to accompany other students.	You can show a sense of style in your performance, demonstrating understanding of backbeat and reggae.	You can independently select, learn and use chords effectively to produce a performance showing a sense of Reggae style.
<b>Songwriting</b>	You can choose and perform simple chord sequences to accompany your song.	You can compose a song with a clear simple verse, chorus structure using repeated chord sequences	You can develop structures and come up with creative ways to links and extend sections.	You can use complex chords and extended sequences to develop your work incorporating complex instrumental solos.
