

Headteacher Newsletter and Request for Parent Governors

April 2017

Dear Parents / Carers

We have come to the end of another very busy term. It would be impossible for me to mention all of the events that the students and staff have been involved in this year, but I would like to thank you for your support of events from Parents' Evenings to Music Show Cases, extracurricular trips and a huge number of sporting fixtures. The college is only truly successful when we work together as a team of students, staff and governors, together with parents and carers and extended family.

I have had several requests for more communication to go out to parents to keep them updated on a regular basis about college events and their children's progress. In response to this information, we are going to launch a half termly SHTC News magazine. This will go out after Easter and will include updates from Faculty Leaders and Progress Leaders together with articles from members of staff and Student Voice. The website is also constantly being updated with information relating to college events.

It will be Year 11 and Year 13's last term when they return after the Easter break, with only three weeks until the main exam season starts. We would appreciate your support with encouraging them with their revision timetables over the Easter holidays. All subjects have provided information and resources for students to revise from over the break.

Finally, I would also like to ask at this time for parents who are interested in becoming a Parent Governor to contact me as we have two vacancies available on our Governing Body for Parent Governors, which I would like to fill as soon as possible. It is a very good opportunity to gain an insight into how the college operates but also bring your own expertise from your professional life to a local governing body who have oversight and responsibility for helping to lead South Holderness Technology College. If you would like to ring or email the college through the office email for statements of interest (office@shtc.org.uk), we will then hold a ballot of prospective candidates.

Yours sincerely
