Headteacher: Mrs E L Croft, BA (Hons)

13th September 2017

Dear Parents and carers,

Please find attached our SHTC Newsletter that summarises the events, news and examination results relating to our students educational and extra-curricular experiences last academic year. Whilst many of you will be wondering why the Ofsted report has not been published please see my comments in my update from Ofsted. We have been informed this week by the Regional Ofsted Director Cathy Kirby that our report has been delayed as it goes through Ofsted's own quality assurance. I will of course update you and publish the report as soon as it has been made available.

Mrs E. Croft

Headteacher

Achieving Excellence Together
